Pit Posse introduces **Posse Fork Seal Driver Set**

Pit Posse's nine piece Posse Fork Seal Driver Set is a must for any serious mechanics. The driver set consists of all 9 of our fork seal drivers 35/36, 39, 41, 43, 45, 46/47, 48, 49/50, 54mm. The fork seal drivers are designed for easy installation on most fork seals and works on both conventional and inverted forks. Pit Posse's fork seal drivers are manufactured from carbon steel, has a split design with a weighted body and comes in a convenient storage case.

The Posse Fork Seal Driver Set Part #: PP2890 is available from Pit Posse and retail shops for \$365.00. All Pit Posse products are available by going to www.pitposse.com or calling toll free 866.447.6773. Dealers interested in carrying Pit Posse products should contact Pit Posse directly for more details.

About Pit Posse:

Established in 2003, Pit Posse is a manufacturer and retailer of trailer accessories, tools and bike accessories. Outlaw Racing Products is a manufacturer of motorcycle accessories. With more than 220,000 items in stock and over 650 items manufactured under the Pit Posse and Outlaw brands, the company has quickly grown to become one of the leaders in the power sports industry.
